

BHAKTI YOGA MANTRA

PATRICK BERNARD

THE ART OF THE HOLY NAMES

The goal of this album is to generate a deep spiritual emotion upon the listeners. Bhakti Yoga Mantra will find its accomplishment in its ability to remove the listener from his or her ordinary mode of perception to a higher degree of spiritual experience. There is a transmission of a blissful state of being. The ever increasing ocean of bliss that one can enjoy by listening to the Holy Names Govinda, Radha-Madhava, Gopala or Krishna is infinite.

PATRICK BERNARD

A resident of Canada, Patrick Bernard is currently celebrating twenty one years of well being music. Patrick Bernard creates original compositions in the tradition of devotional chant and invites his listeners into truly centered meditative states. In his recordings, ancient healing mantras and universal sacred chants are translated into a contemporary musical form, using high-tech synthesized multi-choral progressions and many ancient acoustic instruments. A warm and richly complex musical texture generates background for his singing in which he freely expresses his heart. Over the last decade, Bernard's records have consistently achieved high status in the realm of contemporary instrumental music, winning awards, achieving Gold status and even landing him on the Billboard charts (he was the first Canadian to climb Billboard's New Age chart).
