*"Patrick's voice shines and soothes. The music is angelic. The combination of music, voice, lyrics, emotions and artistry are rarely equaled in this market"*  
- Lloyd Barde - Backroads music, CA, USA

The spirit of peace and inner joy that guided the magnificence of the innovative masterpiece Atlantis Angelis finds its way into our hearts and minds once again. This music is Patrick Bernard's New Age symphonic journey to the majesty and mystery of our eternal quest. With this musical odyssey inspired by the ancient Atlantean civilization, our divine soul is going back to her original abode. The sacred chants suite demonstrates Patrick Bernard's innate gift to create compositions that are serene, inspired and poignant. Arranged and co-produced by world-class artist Robert Lafond Mahavirya, this recording presents superb instrumentations mixed with the compelling spiritual sound vibrations of classic Vedic sutras.

## PATRICK BERNARD

A resident of Canada, Patrick Bernard is currently celebrating twenty five years of well being music. Patrick Bernard creates original compositions in the tradition of devotional chant and invites his listeners into truly centered meditative states. In his recordings, ancient healing mantras and universal sacred chants are translated into a contemporary musical form, using high-tech synthesized multi-choral progressions and many ancient acoustic instruments. A warm and richly complex musical texture generates background for his singing in which he freely expresses his heart. Over the last decade, Bernard's records have consistently achieved high status in the realm of contemporary instrumental music, winning awards, achieving Gold status and even landing him on the Billboard charts (he was the first Canadian to climb Billboard's New Age chart).
