

PATRICK BERNARD

Les Jardins Secrets

THIS ALBUM BRINGS YOU TO A PLACE SO FRAGILE THAT WE RARELY VISIT THOSE INNER CHAMBERS AND IT INFUSES DIVINE BEAUTY IN EVERY CORNER. LET YOUR EARS SOAK IN THE FRENCH POETIC LYRICS SUNG BY ONE OF THE MOST ACCOMPLISH ARTIST OF THE SOUL. I ENJOYED EVERY SECOND OF THIS ALBUM.

- GORDON GOFF - MUSICIAN

Patrick Bernard managed to produce an amazing new poetic French album, about the soul in search of the Sweet Absolute. Even if you cannot understand French, the sound of separation with God will touch your heart. Listen to what is called the language of the birds; a meditative album for the soul. The Secret Garden - Les Jardins Secrets

The mystery of your inner garden awaits you.

PATRICK BERNARD

A resident of Canada, Patrick Bernard is currently celebrating twenty five years of well being music. Patrick Bernard creates original compositions in the tradition of devotional chant and invites his listeners into truly centered meditative states. In his recordings, ancient healing mantras and universal sacred chants are translated into a contemporary musical form, using high-tech synthesized multi-choral progressions and many ancient acoustic instruments. A warm and richly complex musical texture generates background for his singing in which he freely expresses his heart. Over the last decade, Bernard's records have consistently achieved high status in the realm of contemporary instrumental music, winning awards, achieving Gold status and even landing him on the Billboard charts (he was the first Canadian to climb Billboard's New Age chart).
